

Drop Off and Pick up Arrangements from Monday 2 May

Dear Parents

With increasing enrolments, the school has made the decision to relocate some of the stage learning hubs to ensure that our collaborative teaching practices can continue with fidelity.

This change impacts four Stage 1 and the Stage 2 Homebases.

From **Monday 2 May** the changes will be:

THERE IS NO CHANGE to Morning drop off 8.15am – 8.45am

Students enter the school via the designated entry points

- **K-2:** Through the Main Gates
- **3-6:** Through the temporary access

Students will then move to their designated play areas where they will remain under the supervision of staff until the morning bell rings.

Afternoon

At 2.30pm, the main gates will be opened allowing entry into the Main Plaza area. At 2.40pm, the internal gates will open. Parents are then invited to move to their child's Stage area.

Upon the bell at 2.45pm, parents can move to collect students from their area

- **Kinder:** Individual classrooms via Stairway A
- **Stage 1:** Pathway B
- **Stage 1:** Temporary pathway
- **Stage 2 and 3:** COLA A and small gate

Parents are to follow the arrows, **RED: Kindergarten** and **GREEN: S1A, S1C and S1L** and **PURPLE S1F, S1H, S1Z and S1M** when leaving the pick-up area.

Students in Years 3-6, will exit through the small gate located on Farmland Drive (unless they are collecting a younger sibling (exit will be via the sibling's gate). A map is attached to assist with the interpretation of the information above.

Thank you for your understanding and support.

Kind regards

Ruth Cortijos
Principal (relieving)
