School Photo Day

Dear Parents and Caregivers,

School Photo Day will be held on **Tuesday 17 May, 2022**. We ask that all children wear full school uniform on this day.

Please review the photo envelope for packages and payment details. Return the completed envelope to your child's classroom teacher prior to Photo Day.

Should you wish to purchase a sibling package please contact the school so your child can be given the appropriate ordering envelope.

Please note, all children will be photographed on the day even if they have not purchased photos.

Kind regards
